

Definite Article Chart

There are a lot of charts like this out there, but most lack something - either examples or are not explicit enough regarding the initial letter. I've tried to compile the best features here.

Initial Letter	Form of 'the'	Examples
Nominative - Singular - Masculine (fir.)		
vowel	an t-	an t-òran
b, f, m, p	am	am bòrd
all others	an	an càr
